

Hospitality Rider for The Wiyos

- 1.) drinking water
- 2.) towels
- 3.) a private space to prepare for the performance

When provided, The Wiyos prefer:

- 3 separate hotel rooms and/or B&B or host housing is fine
- dinner before sound check or after the show
- or crackers, cheese, nuts, veges and fruit are all sufficient munchies backstage
- one member is allergic to walnuts
- no junk food
- six-pack of a local beer

The band likes to experience the area they are in. So local food, the local beer or wine and a locally owned B&B or lodging are all much preferred.
